

# Pobierz program Adobe Flash Projektor, który otwiera pliki SWF

- W przeglądarce internetowej wpisz link do pobrania pliku:

<https://archive.org/details/adobe-flash-player-projector>

- Wybierz przycisk **Show all files**

**Adobe Flash Player Projector**  
by Adobe

Publication date: 2021-01-01  
Topics: flash, player, projector, offline, games

This is an offline player for SWF flash games due to the recently unsupported Adobe Flash Player plugin. Included are application files for the Adobe Flash offline player. For macOS (10.14 or earlier), Windows, and Linux.
