

My internship abroad in
Italy

Wait... where is Italy?

Italy is
here

I was wondering which place are
you going?

I'm flying to Rimini
☺. It is a beautiful
place next to the
sea.

I'm hungry... what they are eat
there?

They have a healthy and delicious diet
calls MEDITERRANEAN DIET.

It consist of fresh vegetables, seafood,
oil, herbs like basil and cheese like
ricotta or mozzarella.

With this diet they are healthy and happy
😊

Did you know that
pizza comes from
Italy?

First pizza was made
in ancient Rome.

It was flat dough with
cheese and herbs.

Are there any beautiful
places?

Of course, there is a lot of beautiful
places and monuments:

Colosseum in Rome

Capri

Leaning Tower of Pisa

Venice

I will tell a few curiosities about Italy 😊

Italians eat an average of half a kilogram of bread a day. What's more, the estimated delivery of pasta up to 30 kilograms per person for a year.

Italians are known for communicating with the use of rich gestures with the hands and facial expressions

In the small town of Lerici in the Liguria region, it is illegal to hang wet towels out the window.

The country is the world's largest wine producer.

Thank you for
attention 😊
